FOUNDATION FOR HIS MINISTRY

June 2017

Charla Pereau, *Editor*
Janelle Keller
Assistant Editor

Our Purpose:

To glorify God by making disciples of Jesus Christ. To this end, we share and demonstrate God's love through the power of the Holy Spirit by meeting basic spiritual, emotional, physical, and educational needs of those in Mexico and beyond.

Compassion for the Fatherless

Robert Woodman is teaching chess even to our five year olds. Chess playing encourages strategic thinking, problem solving, patience and even social skills necessary to be successful in life.

"...God has heard your prayer and remembered your gifts to the poor." Acts 10:31b

"...Whoever sows generously will also reap generously" 2 Corinthians 9:6b

"Give and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap." Luke 6:38

"Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness. You will be enriched in every way so that you can be generous on every occasion, and through us your generosity will result in thanksgiving to God. This service that you perform is not only supplying the needs of the Lord's people but is also overflowing in many expressions of thanks to God." 2 Corinthians 9:10-12

Moved by Compassion

Having a sense of pity for the destitute children won't make it. We need Christ-like compassion which moves us from emotion to action. I am more convinced than ever that the message of Jesus Christ is the hope and the power that changes a person's life.

Our children receive a Christ-centered education.

The ACE and AMO curriculums are used from preschool through 8th grade. The material instills Christ-like character and teaches the three R's, and creativity and also offers electives.

Aida Carrasco, teacher, reports, "The children enjoy classic literature; specifically Pinocchio. They presented a puppet show and it was done with excellence."

Pinocchio

A typical ACE work station

In the classroom

The cost of this wonderful curriculum is approximately \$150. Contributions are gratefully received.

Moved by Compassion

Jazmin Martinez who serves in our Dorcas room, teaches sewing. The children made aprons and backpacks.

Diana Hoffman offers cooking classes as well.

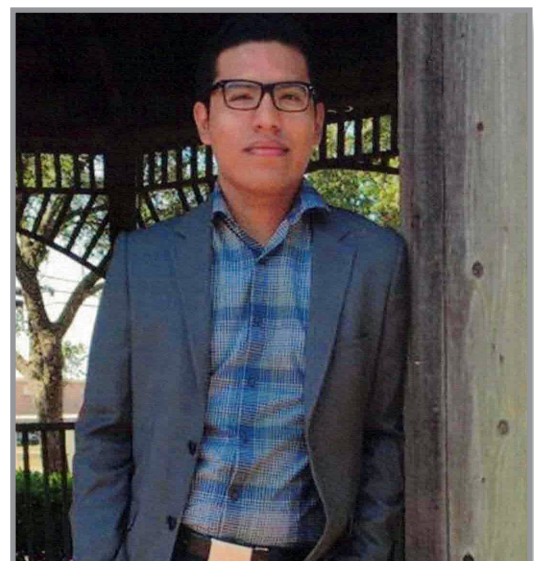

Students eager to learn

Having fun baking

The finished product

Jose David Herrera

Every student is given the opportunity for higher education. This year we have 18 going to University or college. Jose David is our first to graduate from a U.S. institution; Christ for the Nations in Texas.

Child Evangelism

Children singing

Playing games

In our Child Evangelism outreach we play games, sing songs, have skits, and hug the children. We pray, tell Bible stories, and give each child a big glass of milk and a big scoop of peanut butter. Seven hundred poor children have the blessing of this ministry.

You have been moved by more than pity, through compassion you have given to the least of these.

Praying

A scoop of peanut butter and milk

Send a Child or Teen to Camp

This year you have the opportunity again to invest in a child's and/or teen's life by providing a "campership" and an unforgettable experience for a young boy or girl. For \$75, which includes everything, you can provide a week of fun-packed fellowship, worship, and more! Many decisions for Christ are made by young people at camp.

Please complete the form below and mail it with your check in the enclosed envelope. You can also donate online, www.ffhm.org or call the US office at (949) 492-2200.

He Had a Dream

What is your dream for the mission? The question was easily answered: "To have a learning facility for special needs, individualized education, and to assist students at the secondary and high school level where the computer is the tool to learn and do the required home work".

Plans were made and approved and the fundraising began by 1,000 students of Strathcona Christian Academy (SCA) elementary school in Sherwood Park, Canada.

This activity resulted in full funding for the 70' x 30' building outfitted with four small classrooms, an office and a large computer facility with 24 computers. Praise God for this amazing provision. Thank you children and staff of SCA.

Trucking For Jesus

For years Will Hedman was an Ice Road Trucker in Alaska. When he retired, he started trucking for Jesus.

On April 30th, Will Hedman made his 76th trip from northern Washington to our San Clemente office with his van packed with diapers and peanut butter from the windshield to the tailgate. Arriving in the wee hours of the morning he slipped upstairs to catch a little shuteye before the office staff arrived to help him unload. Literally tons of diapers of all descriptions and tons of peanut butter have been trucked by Will.

Will Hedman aka "The Peanut Butter Man"

MISSION SUNDAY Osborne Neighborhood Church

This small church in Arleta, CA has supported missionaries on every continent. Rev. Jack Styles, founding pastor, served for over four decades. Pastor Ryan Donnally has a fresh vision for global missionary outreach.

I was very touched by the testimony of Pat Gilmore. She, like so many others, saw the sign in the dining room of the Mission in Baja, "You will never be the same"..."Yes, this is true, but how can I make a difference in my world?" The food pantry at ONC has been closed for years. Could this be reopened? Is there a need...permission was granted. Now every week Pat is making a difference in the lives of 68 families. "One life will soon be past; only what is done for Christ will last."
