Foundation For

# HIS MINISTRY

## Give Different this Christmas

Every year, our [Give Different Christmas campaign](#) focuses on specific areas of His Ministry with the most financial need as we move into the upcoming year. This year, we have chosen eight different areas where your giving can make an eternal difference in the life of someone else. Year after year, we are amazed at how God provides through the generosity of our donors. What we receive during the Christmas season supplies 30% of our annual budget, allowing us to continue to rescue children, restore the broken, and reach the lost. Together, we are doing His work of renewing lives one heart at a time.

**Give Different this Christmas to one of the following areas so that YOU can play an essential part in His Ministry:**

### Mission Needs:

Every month, we send thousands of dollars to Mexico to meet the basic budgetary needs of the different mission locations. These funds cover necessities such as food, water, electricity, car repairs, building maintenance, etc. These areas have become much more costly with rising inflation. Of course, these funds also allow us to support our most valuable resource – our amazing staff!

### Tijuana Girls Home:

For the last two years, we have been rescuing teenage girls placed in the government shelter. These girls come into our care with so much brokenness and desperately need to know Jesus as

their healing Savior. We currently have 15 girls living in the home. Your contribution can be a part of their continued restoration.

### **Baja Daycare:**

We were shocked this year to learn that the government was not renewing our contract for the daycare in San Quintin, located half an hour south of the Mission. But since God promises to work all things together for His good, we trusted Him during this time. Within a few months, we had new plans to renovate one of our buildings at the Mission to use for our daycare. This location will be even better for our staff and for those we are serving. The building is along the route of many field workers, allowing them to leave their children in a safe and nurturing place while they are at work. We want to raise \$20,000 to get this building ready to receive these children. We must install new flooring, give it a coat of fresh paint, and do the necessary construction modifications to become certified.

### **Nutrition:**

We want to ensure that all those under our care receive the physical nourishment they need. Your donation goes directly to feeding hundreds of children throughout Mexico. It may be breakfast for a child in Sinaloa, lunch for a child in the mountains of Oaxaca, or dinner for any of the 150 children living at one of our homes. Nutritious food is one of the ways that we demonstrate the love of God.

### **Outreach:**

At our locations in Baja, Oaxaca, and Sinaloa, we are sharing the love of Jesus with people living in the surrounding communities. Each mission base strategically meets the physical, emotional, and spiritual needs of those around them. This includes anything from providing groceries for a family in need, visiting the local prison, training pastors in unreached areas, or responding to natural disasters throughout the year. Your donation allows us to love and care for people in a practical way.

### **Education:**

Our mission schools in Baja and Oaxaca equip children with the necessary resources to succeed. Approximately 140 children receive a high-quality education and are taught from a Christian perspective. Some of our children arrive at our homes unable to read or write, regardless of their age. Many of them have learning delays due to malnutrition and trauma. With these factors, you can understand why our schools play a vital role in their development. You can be a part of changing their future by providing for this need.

### **Emergency Medical Fund:**

Sometimes, our staff and children have medical emergencies or conditions that need ongoing or extensive medical treatment. For those in Mexico, governmental health care is often overwhelmed and requires more specialized services. Your donation provides the necessary care for anyone with a medical need. Your gift will alleviate the burden of finances and allow them to begin the process of healing.

### **Presents for Kids:**

One of the ways we show our love to the children in our care is through Christmas and birthday gifts. Our staff think specifically about each child and bless them with something special just for them. We can make this happen with your donation!!
